

2006 VACATION PLANNER

Live the Life.

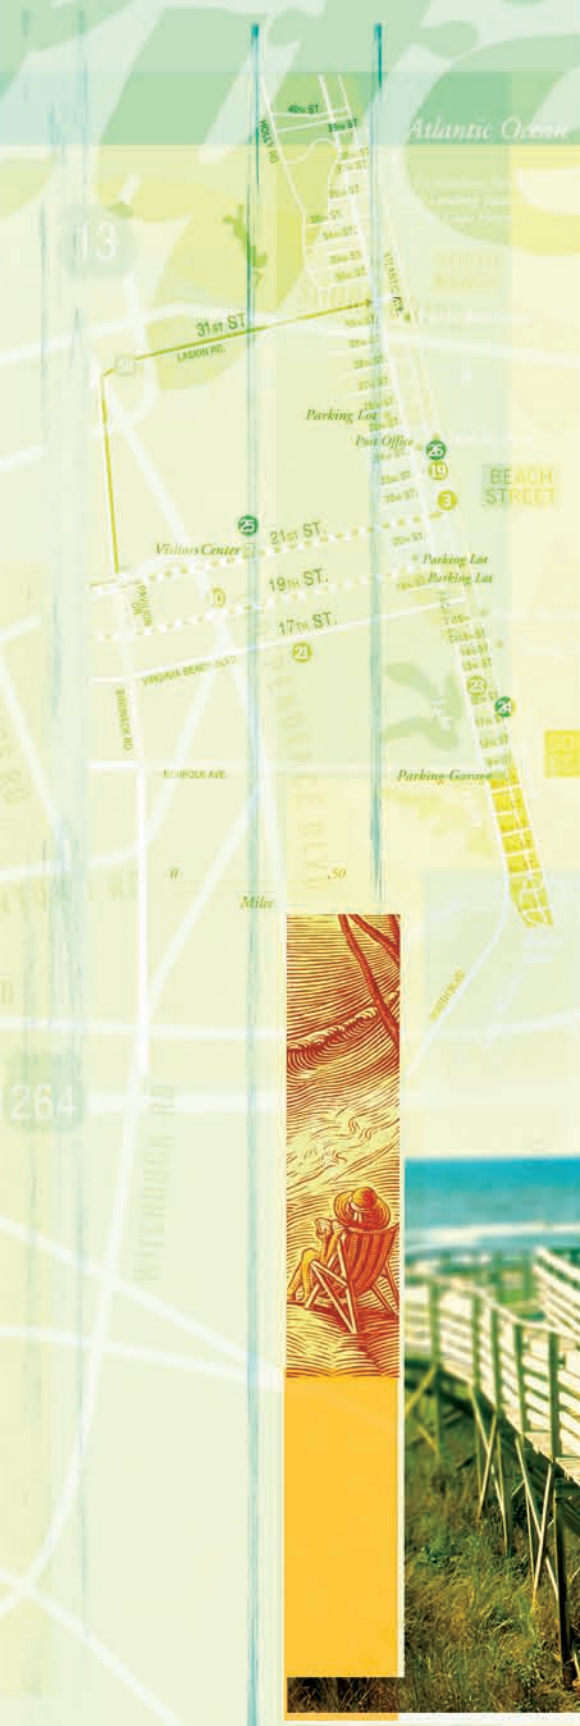

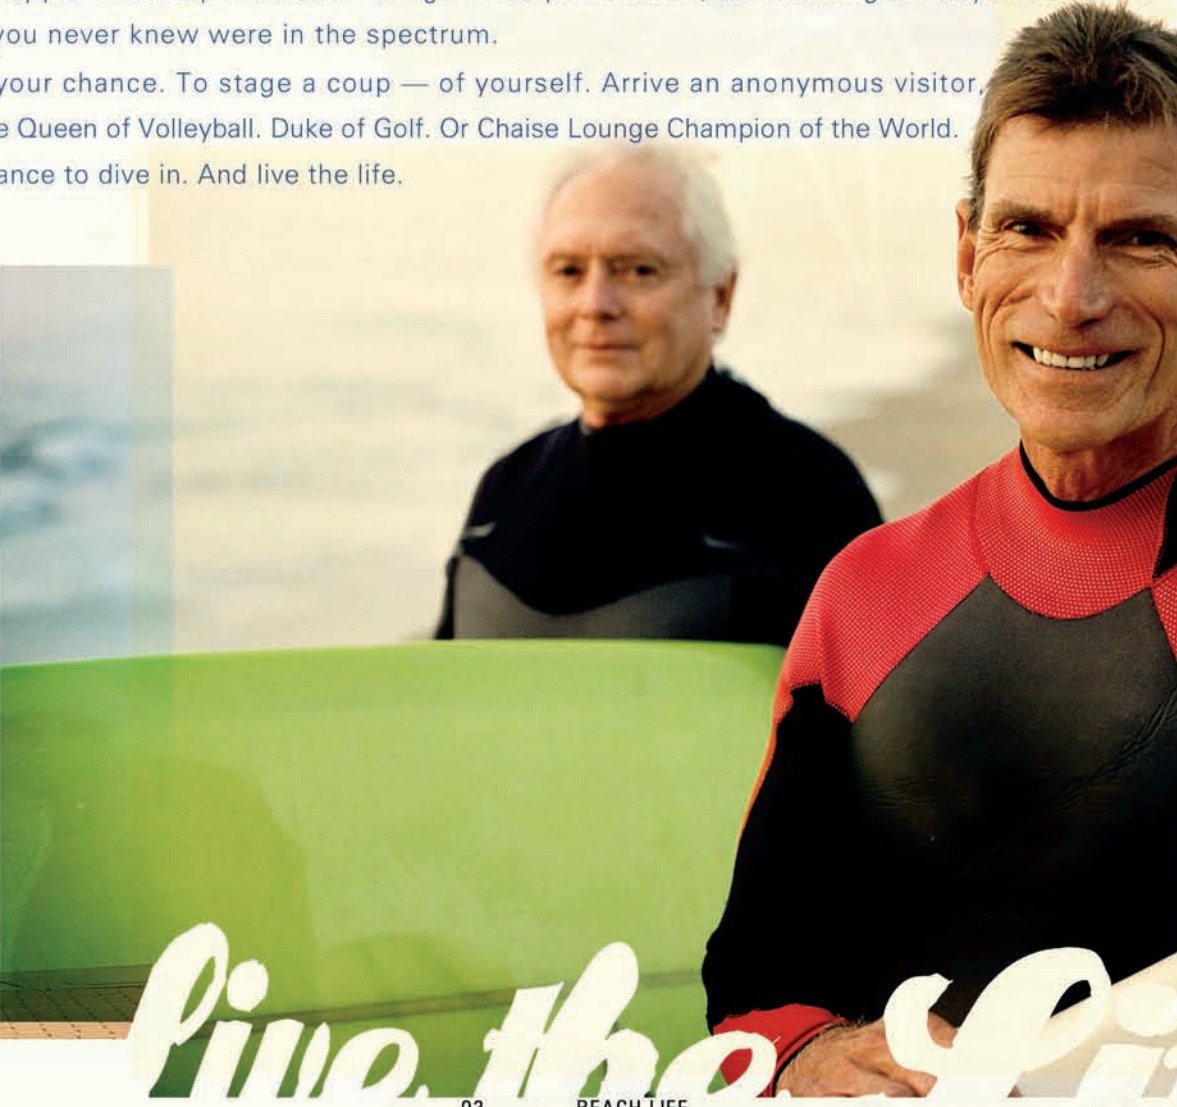

THERE'S SOMETHING ABOUT THIS PLACE. A SPARKLE. AN INDIGENOUS VIBE.

You'll feel it. Tugging on your 80-pound-test line. Under your feet in First Landing State Park. Biting into a sweet Pungo strawberry.

Is it the land that fosters carefree, independent spirit? Or is an ever-present ocean and bay – stimulant, tranquilizer, multivitamin in one – the source? Explainable or not, beautiful things happen here. Spontaneous things. A dolphin escort, windsurfing off bay beaches. Colors you never knew were in the spectrum.

This is your chance. To stage a coup — of yourself. Arrive an anonymous visitor, but leave Queen of Volleyball. Duke of Golf. Or Chaise Lounge Champion of the World. Your chance to dive in. And live the life.

SANDBRIDGE BEACH

coast (v) : to proceed easily without special application of effort or concern.

Hotel or cottage? Atlantic Ocean or Chesapeake Bay? Peace and quiet or right in the thick of it? Maybe somewhere in between? Whatever it is you desire in a beach, our lovely stretch of Virginia coast aims to please.

RESORT BEACH

RESORT AREA BEACHES

Stretching along the Atlantic Ocean from Croatan to the South and up to the North End, the Resort Area is where the action is. Live music, street performers, outdoor cafés, hot dog and snow cone vendors, and our famous three-mile boardwalk perfect for rollerblading and jogging. Sunbathers come for the wide sandy beaches. Surfers come for the waves. And everyone comes for the people-watching.

CHESAPEAKE BAY BEACHES

For beachgoers looking for a kinder, gentler ocean, refuge can be found along the calm waters of the Chesapeake Bay, just off Shore Drive. From swimming to sand castles to volleyball, all the traditional beach rituals are here. And nothing's better than an evening stroll or dining at a fine restaurant as the sun sets over the Chesapeake Bay Bridge. Anglers can fish from the shore or launch a boat and head out to the heart of the Bay. Runners, bikers and campers can explore the lush green of First Landing State Park.

SANDBRIDGE BEACH

Located 15 miles south of (and 180° opposite) the Resort Area, Sandbridge is a secluded beach hideaway of pristine sand dunes and dancing sea oats. Beachside, the Atlantic never fails to entertain. And for those craving even more of the great outdoors, the marshes and open waters of Back Bay National Wildlife Refuge and False Cape State Park make for great kayaking, hiking, and fishing. Cottage and condominium rentals are available year-round.
